RISE Ambassadors Jay and Beverly

### Join us for an educational event that could improve the way you live with RA.

The RISE™ (RA Information, Service, and Education) network is committed to providing you with the resources, support, and inspiration you need to live well with rheumatoid arthritis (RA). So we're pleased to announce our latest group of local educational events that focus on RA treatment, health, and wellness. These unique events will give you a chance to learn about advances in RA treatment, as well as get practical health and wellness advice that can help you better manage your RA. Plus, you'll hear from our RISE Ambassadors—people just like you who are living and thriving with RA.

#### BE INFORMED

Hear from a healthcare professional about the latest advances in RA treatment. You can even submit questions and get answers during the event.

#### BE INVOLVED

Get lifestyle advice from a health and wellness expert to help you complement your treatment and live well with RA.

#### BE INSPIRED

Listen to real stories from RISE Ambassadors who are ready to share the challenges and successes they've experienced with RA.

**SPACE IS LIMITED. To reserve your spot at an RA event, log on to [www.RISEevent.com](http://www.RISEevent.com) or call 1-877-474-8892.**
